Mr. John R. Mage

Dear John:

I have just returned from Europe and received your letter of November 6th. I appreciate very much your thoughtfulness. However, I think I have my [] affairs in shape so that I will not have an estate problem. Therefore it will not be necessary and, in fact, not particularly useful to take out the insurance which you suggest.

I will tell you all about these developments the next time we get together. In the meantime, my warmest regards.

Sincerely,

/S/ John (signed by TML)
